

The background of the entire image is a light blue sky filled with numerous hot air balloons of various colors and patterns, including stripes, checks, and solid colors. Small, fluffy white clouds are scattered throughout the sky. The hot air balloons are of different sizes and are positioned at various heights, creating a sense of depth and movement.

# Chapter 1

## Primary One to Primary Three Students

One day, after **Noni** returned home from school, she was doing her homework at the living room in her house. While her mother was in the kitchen, she saw her sister's handphone placed on the dining table.

The phone vibrated and **Noni** picked up the phone. **Noni** saw a **WeChat** application on the phone. She quietly took the phone to her mother's bedroom. She clicked on the **WeChat** application and she received a message from a stranger that says "Hello pretty girl".

At that time, Nana, her elder sister came into the bedroom and quickly took the phone away from Noni. Nana told Noni not to take her phone **without asking her** and **not to be alone in the room** with a hand-phone **without supervision**. Nana quickly told Noni to be **cautious** and **not to speak with strangers online**. It is a dangerous act and she may become a **victim of online sexual abuse**. Noni **apologised** to Nana and promised her that she will not do it again.

## Chapter 2

### Primary Four to Primary Six Students

One day, after school ended, **Daniel**, a primary four (4) student waited for his school bus outside his school and a motorcyclist suddenly stopped. He introduced himself as **Abang Julian**.

He has seen **Abang Julian** before, working in a grocery shop called "*Our Mart*", located near his house. **Abang Julian** offered to bring **Daniel** home. When Daniel refused, **Abang Julian** asked for **Daniel's** hand phone number. **Daniel** gave the number of his phone. He forgot his parents' reminders not to give his number to strangers.

After **Daniel** returned home, he received many **WhatsApp** text messages from **Abang Julian**. **Abang Julian** wants to meet **Daniel** to give him a Bumblebee Transformer toy if **Daniel** agrees to meet him. Feeling happy, **Daniel** sneaked out from the house and meet **Abang Julian** in "*Out Mart*" grocery shop.

Abang Julian brought Daniel to the back of the shop. Before Abang Julian gave the toy, he wanted to take Daniel's pictures, not wearing any clothes so that he can upload on his Facebook page and share with his other friends.

Daniel's friend, Jason a standard six student from his school entered the shop and overheard Abang Julian's request. Jason quickly took Daniel away and questioned Abang Julian's requests which he made to Daniel. Jason quickly told Daniel to be cautious and not to follow Abang Julian's instructions in order to protect himself. Jason told Daniel, a child, both boys and girls can fall victims of sexual abuse online.

Daniel realised he was wrong to give his number to Abang Julian, a stranger to him and quickly informed his parents. His parents took him to the police station and they lodged a police report. Abang Julian was arrested and Daniel's parents thanked Jason for being a caring friend. Daniel also apologised to both his parents for his wrongdoing and promised not to repeat his actions.
